BIT Jaipur Campus

Introduction

Birla Institute of Technology, Jaipur Campus is an integral part of Birla Institute of Technology, Mesra (Ranchi), established in 1995. It was established by the visionary industrialist B.M. Birla. He founded the parent institute, BIT Mesra, and expanded it to the Jaipur campus to provide top-tier engineering and management education. The focus of the institute is to provide quality education in Engineering, Applied Sciences and Management with technology and professional exposure through innovative programmes & practices. With excellent performance, progressive mind set and good will earned, it is today one of the leading institutes in the field of Engineering, Applied Sciences, Animation and Management. The campus is within 5-7 km reach from the airport, railway station and bus stand.

Institute's Vision

To become a globally recognized academic institution in consonance with social, economic and ecological environment, striving continuously for excellence in education, research and technological service to the national needs.
