Dear Students...

As a student at BIT Jaipur, you are already a part of a glorious tradition of academic distinction. Each Extension Centre of BIT has been recognized as a hub of quality technical education in its own right and also as a flagbearer of the BIT legacy. Just as we have been discerning in selecting you in our pool of talented scholars, we also make sure that we provide you with every opportunity to explore your potential fully in order to get a competitive edge over others.

You belong to one of the most well-reckoned student communities in India, equipped with a number of advantages in education, co-curricular activities and campus life. This section gives you an easy access to the most relevant information, on academic programmes and courses and on every other requirement of an enriching campus experience.
