Prospective Students

Vetted PG facility is available for the students.

Birla institute of Technology welcomes you to its Jaipur Extension Centre. As a part of the rich heritage of BIT's excellence in academics and research, we are indeed happy to help you explore all the opportunities that are available to you at the Jaipur campus. Whether you are an undergraduate student or a postgraduate aspirant wishing to take up a specialised field of study, there are definite advantages in being a student at BIT.

At Jaipur, we offer programmes that are commensurate with the demands of the contemporary industrial and corporate world and make sure that your education is not contained within the scope of classroom learning and lectures. BIT Jaipur provides you top-notch facilities to complement superior teaching standards, and we also ensure that campus life is filled to the brim with co-curricular activities and fun events. We hope this section will meet your queries adequately and let you get better acquainted with everything that goes into the making of a proud BIT-ian.
