M.Sc. Animation Design Program 2026-2027 - BIT Jaipur Campus

Complete Admission Information Guide

ABOUT THE PROGRAMME

The M.Sc. Animation Design Programme at BIT Jaipur Campus was established in 2009, building on the success of the B.Sc. Animation & Multimedia course that started in 2005. The institution has graduated sixteen successful batches of undergraduate students, many of whom are working in prestigious animation companies across India and abroad. Some graduates have also started their own businesses successfully.

The programme is designed to provide value addition in Animation Design and opens opportunities for specialization in areas such as:

- 2D and 3D Animation
- Comics and Digital Games
- Visual Effects
- Graphics
- 2D and 3D Digital Art
- Film Making

The program also equips students with the knowledge and technical expertise to start their own design and content development centers to become industrial entrepreneurs.

Infrastructure and Facilities

The institution has excellent academic and experimental infrastructure including:

- Animation labs with professional animation design software tools
- 1:1 man-machine ratio (one computer per student)
- A constantly growing library with animation titles
- Spare labs available for extra study sessions
- Common Internet lab for student use
- Regular visits from eminent animation professionals from the industry who conduct lectures and workshops
- Involvement in live projects from government and industry to provide real project exposure

The course structure combines both IT-enabled and art-based learning to accommodate both technical and creative aspects of animation.

ACADEMIC SYSTEM

The M.Sc. Animation Design program follows a Semester System:

- **Duration:** 2 years (4 semesters total)
- **Monsoon Semester:** July to November
- **Spring Semester:** December to May
- **Academic Year:** Two semesters per year

Students receive an M.Sc. Animation Design Degree upon successful completion of the course.

ELIGIBILITY CRITERIA

Basic Requirements

1. **Educational Qualification:** Candidates must have any of the following graduate qualifications:
    - B.Sc. (Animation and Multimedia)
    - Bachelor of Fine Art
    - Bachelor of Design
    - Bachelor of Visual Art
    - Bachelor in Performing Arts
    - Graduates from any discipline with a strong portfolio are also eligible to apply
2. **Final Year Students:** Candidates appearing for their final examinations in 2026 can also apply. If selected, they can join the programme provisionally. At the time of counselling, they must bring a certificate from the Principal of their Institute stating:
    - They will have appeared for examination in all subjects required for obtaining their qualifying degree
    - They have obtained the requisite marks or equivalent based on latest available grades/marks

Important: Provisionally selected candidates must submit proof of passing their final examinations with requisite marks by 31st October 2026. Non-fulfillment of this condition will result in automatic cancellation of provisional admission.

3. **Distance Education Candidates:** Candidates with qualifications acquired through correspondence or distance-learning programmes are eligible only if:
    - The programmes are recognized by the tripartite panel of AICTE-UGC-DEC
    - They have passed the qualifying examination at the time of applying with minimum requisite marks
    - They must enclose photocopies of pass certificates and mark sheets with their application
