Educational Trip to Udaipur

An educational excursion to Udaipur was organized by the Animation & Multimedia Department, BIT Jaipur, from September 30 to October 2, 2024. A total of 53 students, along with faculty members, participated in this immersive trip aimed at enhancing their understanding of art, culture, and heritage through real-world experiences.

The journey began on the night of September 30, with participants traveling in a super luxury AC bus. Upon arrival in Udaipur on October 1, the group checked in at MD Vailly Red Tulip Resort near Badi Lake. Over two days, students explored various cultural and artistic landmarks including Fateh Sagar Lake, Saheliyon ki Bari, City Palace, Gangour Ghat, and prominent art galleries. These visits provided valuable insights into traditional and contemporary art forms, especially miniature paintings and murals depicting mythological themes.

Day two featured visits to Badi Lake, Bougainvillea Art Gallery, and Sajjangarh Fort. A highlight was attending the painting exhibition "My Own Garden" at Takhman 28, where students interacted with celebrated artists such as Prof. Vidyasagar Upadhyaya and Sri Lankan artist Chaminda Gamage. The trip concluded with dinner at Dhabalogy and a cultural exhibition before returning to Jaipur on October 3.

Overall, the trip offered a rich learning experience, blending academic enrichment with cultural exposure, and significantly contributed to the creative development of the students.
