Conferences / FDP / Workshops / Sponsored Projects

Department of Computer Science and Engineering, BIT Jaipur

1. International Conference Conducted

SERB Sponsored International Conference on "Innovations in Computing and Applications" (ICICA-2024)

The SERB sponsored International Conference on Innovations in Computing and Applications (ICICA-2024) was held on May 22-23, 2024, at the Birla Institute of Technology, Jaipur Campus for bringing together a diverse group of researchers, practitioners, and industry experts to share and discuss their latest findings and innovations in hybrid.

PI: Dr. Shripal Vijayvargiya **Co PI:** Dr. Deepak Verma

2. FDPs Conducted

AICTE Sponsored FDP "Blockchain Governance Structure and Trust from Theory to Practice"

The AICTE sponsored Faculty Development Program "Blockchain Governance Structure and Trust from Theory to Practice" was held on December 23-28, 2024, at Birla Institute of Technology, Jaipur Campus for bringing together a diverse group of faculty members, researchers, and industry experts to upgrade their technical skills and to share the latest in this domain in on-line mode.

PI: Dr. Pankaj Gupta **Co PI:** Dr. M.M. Agarwal

AICTE Sponsored FDP "Generative AI : Tools and Techniques"

The AICTE sponsored Faculty Development Program "Generative AI : Tools and Techniques" was held on November 25-30, 2024, at Birla Institute of Technology, Jaipur Campus for bringing together a diverse group of faculty members, researchers, and industry experts to upgrade their technical skills and to share the latest in this domain in physical mode.

PI: Dr. (Mrs.) Madhavi Sinha **Co PI:** Dr. Vishwambhar Pathak

3. Self Sponsored Workshops Conducted

Latest Trends in Cyber Security

The Workshop with a hands on session on "Latest Trends in Cyber Security" was held on October 23, 2024, at Birla Institute of Technology, Jaipur Campus for the Students, Staff members and Researchers by Invited Industry Expert Mr. Gurucharan Singh, Senior Faculty Member for Cyber Crimes at C.D.T.I. Chandigarh for upgrading their technical skills and sharing the latest in this domain in physical mode.

PI: Dr. Alok Pandey Brief Report

AI Innovators : From Basics To Breakthrough

The Workshop with a hands on session on "AI Innovators : from Basics to Breakthrough" was held on November 8, 2024, at Birla Institute of Technology, Jaipur Campus for the Students, and Researchers for upgrading the technical skills and sharing the latest in this domain in physical mode.

PI: Mr. Subhash Gupta Hands on Session

4. DST Sponsored Projects

"Development of Distributed Deep Learning based Dynamic Causality Analysis Model for Predicting Epilepsy and Simulation of Epileptic Brain" Funded by Dept of Science & Technology under Cognitive Science Research Initiative (CSRI) for 2020-22

PI: Dr. Vishwambhar Pathak **Co PI:** Dr. Vivek Gaur

"Soft modeling of group dynamics : A cognitive psychology perspective" has been sanctioned by Department of Science & Technology, Ministry of Science & Technology, Government of India. Duration of project: 2009-2011 (Two Years)

PI: Dr. Madhavi Sinha **Co PI:** Dr. Vivek Gaur
