Department of Computer Science and Engineering Faculty Members

Birla Institute of Technology, Mesra, Jaipur Campus

Dr. Shripal Vijayvargiya

Joined Institute on: 8-Mar-2003

Associate Professor and In Charge

Computer Science and Engineering

Ph.D., M.Tech.(CSE)

CONTACT ADDRESS

27, B.I.T. MESRA, Jaipur Campus Malviya Industrial Area Jaipur

31, Chitrakoot Nagar Jaipur

Phone Office: 0141 - 4019823

Phone Residence: -

Email: svijayvargiya@bitmesra.ac.in

WORK EXPERIENCE

Teaching: 22 Years

Research: 13 Years

PROFESSIONAL BACKGROUND

WORK EXPERIENCE

Associate Professor (2012 – till date), Birla Institute of Technology, Jaipur Campus.

Assistant Professor (2007 - 2012), Birla Institute of Technology, Jaipur Campus.

Lecturer (2003 - 2007), Birla Institute of Technology, Mesra.

PROFESSIONAL QUALIFICATIONS

Ph.D. from Birla Institute of Technology, Mesra Ranchi (2012)

M.Tech. (CSE) from Birla Institute of Technology, Mesra Ranchi. (2001)

CURRENT SEMESTER ACADEMIC ASSIGNMENTS

CA 373 Introduction to Machine Learning

CS 239 Operating Systems

CA 422 IT Tools and Techniques

RESEARCH AREAS

Soft Computing, Machine Learning, Computational Biology

PUBLICATIONS

JOURNALS

WORK EXPERIENCE

Teaching: 25 Years

Research: 10 Years

Individual: 15 Years

PROFESSIONAL BACKGROUND

Ph.D (Computer Science & Engineering) completed from Birla Institute of Technology, Mesra, Ranchi, Jharkhand (INDIA)

M. Tech (Computer Science & Engineering) from Birla Institute of Technology, Mesra, Ranchi, Jharkhand (INDIA)

B. E. (Mining Engineering) from M. B. M. Engineering College, Jodhpur, JNV University, Jodhpur, Rajasthan (INDIA)

Two Year Diploma in French Foreign Language from Mody Institute of Technology & Sciences, Lakhmangarh, Sikar, Rajasthan (INDIA)

RESEARCH AREAS

Reviews, concepts, design and implementation on Mobile Ad Hoc Networks, Artificial Intelligence and Machine Learning

Implements Optimization Techniques for Energy Conservation like Fuzzy Control System and Probabilistic based Techniques

Design of Routing Protocols for Mobile Ad Hoc Networks

Implements Routing Protocols for Mobile Ad Hoc Networks in Network Simulator-2

Reviews, concepts, design and implementation on Internet of Things

Reviews, concepts, design and implementation of video summarization by using machine learning and AI

Implementation of different application by using machine learning and AI

AWARD AND HONOURS

Win Best Paper Award paper entitled "Design of Fuzzy Controlled Routing Protocol to Save Energy in Ad Hoc Networks" presented at "2nd International Conference on Computers and Management (ICCM) 2016, Department of CSE, Rajasthan Technical University, Kota, 28-29 December 2016".

FACULTY DEVELOPMENT PROGRAM

AICTE Sponsored FDP "Blockchain Governance Structure and Trust from Theory to Practice"

The AICTE sponsored Faculty Development Program "Blockchain Governance Structure and Trust from Theory to Practice" was held on December 23-28, 2024, at Birla Institute of Technology, Jaipur Campus for bringing together a diverse group of faculty members, researchers, and industry experts to upgrade their technical skills and to share the latest in this domain in on-line mode.

PI: Dr. Pankaj Gupta

Co PI: Dr. M. M. Agarwal

MEMBER OF PROFESSIONAL BODIES

Member of Academic council of Rajasthan Technical University, Department of Technical Education, Govt. of Rajasthan for two year from 2025 to 2027.

Member of Academic council of National Institute of Ayurved University, University Grant Commission, Govt. of India for five year from 2024 to 2029.

Incharge IPR and Technical Power Transmission Cell organized by the Department of Science and Technology, Govt. of India from 2024 to till date.

Dr. Madhavi Sinha

Joined Institute on: 1-Aug-2007

WORK EXPERIENCE

Teaching: 21 Years

Research: 15 Years

Individual: 15 Years

PROFESSIONAL BACKGROUND

EDUCATION DETAIL

PhD. in Computer Science & Application, on the topic, "A Framework for Adapting Learning and Evaluation to Enhance E-learning", from Vivekananda Global University Jaipur, December 2025

MCA From Indira Gandhi Open University New Delhi, June, 2005

CURRENT SUBJECTS ALLOTTED

CN121 Introduction to Data Structures

CN122 Data Structure Lab

CN224 Python Programming Lab

PREVIOUS TEACHING SUBJECTS

Java Programming

Java Programming Lab

Programming & Problem Solving using C

C Programming lab

Front End Design

Front End Design Lab

Computer System Architecture

Data Base Management System

Oracle lab

IT Tools and Technique Lab

Web Programming

ADMINISTRATIVE ACTIVITY

Co-Coordinator of NSS

Member of Sports Committee

Member of Examination Cell Since April 2006 to June 2024

Member of Coding Club Activity

Member of "Blood Donation Camp", conducted every year for a noble cause

Resource person in the institutional Office Staff summer training on "Soft Skill and Office Automation" from 14th May 2024 to 8th June 2024

Member, Local Organizing Committee in "International Conference on Innovations Computing and Applications (ICICA-2024)" during 22-23 May 2024.

RESEARCH AREAS

Ph.D. Research work entitled on "A Framework for Adapting Intelligent Learning and Evaluation to Enhance E-Learning".

The aim of research work to build a model for an individual user learning needs, to acquire knowledge with versatile domain so that effective and intelligent e-learning system is proposed with good adaptability.

NATIONAL AND INTERNATIONAL WORKSHOP/FDP/SEMINAR/CONFERENCES

1. 6 Days AICTE Training And Learning (ATAL) Academy Faculty Development Program on Generative Artificial Intelligence: Tools and Techniques at BIRLA INSTITUTE OF TECHNOLOGY OFF CAMPUS JAIPUR from 25/11/2024 to 30/11/2024.

2. 5 Days ATAL Faculty Development Programme Course on "Building Advanced Data Analytics Application with Cloud", 25th September-29th September, 2023 under NextGen Employability Programme of AICTE.

3. Presented a paper in the international workshop on Emerging Trends in Information Technology (ETIT-2014) at LNM Institute of Information Technology, Jaipur [13th February 2014].

4. Participated in ISTE workshop on "DBMS" conducted by Indian Institute of Technology Bombay held under the National Mission on Education through ICT (MHRD) [21st to 31st May 2013]

5. Participated training course on "Entrepreneurship Development", Organized under "Faculty Development Program (FDP)", sponsored by department of Science & Technology, Government of India at B.I.T., Mesra, Jaipur Campus [15th January 2013 to 27th January 2013]

6. Participated the UGC-Sponsored Refresher course on "Information Technology" at UGC ACADEMIC STAFF COLLEGE University of Rajasthan Jaipur [17th December 2012 to 05th January 2013 and grade obtained A]

7. Participated in ISTE workshop on "Introduction to Research Methodologies" conducted by Indian Institute of Technology Bombay held under the National Mission on Education through ICT (MHRD) [25th June to 04th July 2012]

8. Piyush Gupta, Santosh Kumar Agarwal, present the paper in International conference on "The contemporary innovative practices in knowledge management systems and resource sharing in enterprises" in Pacific University Udaipur, Rajasthan [13-14 April, 2012]

9. Piyush Gupta, Santosh Kumar Agarwal, presented the paper in International Conference on "The Role of Technology in Knowledge Management systems and Resource sharing in Enterprises" in WCAS, Muscat [27-28 February 2012]

10. Participated in National Workshop on "E-Governance" at Central University Rajasthan [20th December, 2011]

11. Participated in National Conference on "Recent Trends in Information Technology: Opportunities & Challenges" [UGC New Delhi sponsored] at SS Jain Subodh PG College, Jaipur. [26 – 27 February 2010]

Dr. (Mrs.) Archana Bhatnagar

Joined Institute on: 1-Jul-2003

Assistant Professor

Computer Science and Engineering

Ph.D (Computer Science)

WORK EXPERIENCE

Teaching: 33 Years

Research: 14 Years

Individual: 1 Years

PROFESSIONAL BACKGROUND

PROFESSIONAL QUALIFICATIONS

PhD (Computer Science), SGVU, Jaipur, Rajasthan. (2011)

Title of Ph.D Thesis: Study and Analysis of the Software Engineering Process Models to obtain a Generalized Model

MCA, Indira Gandhi NOU, New Delhi. (2001)

PGDCA, Banasthali Vidyapeeth, Banasthali, Rajasthan. (1990)

B.Sc. (PCM), Maharanis' College, University of Rajasthan, Jaipur, Rajasthan. (1988)

WORKING EXPERIENCES

At BIT:

Assistant Professor, Department of Computer Science and Engineering, Birla Institute of Technology, Jaipur Campus, Jaipur. (2003 – till date)

Outside BIT:

International College for Girls (ICG) Jaipur, Affiliated to University of Rajasthan, Jaipur: Head of Department (HOD) Teaching, Handling Administrative activities of Department of Computer Science

VGL Softech Ltd., Jaipur: HR and Training Executive, Development of In-House softwares, Planning and handling architecture of the Projects, Handling Projects Co Ordination In-house training, HR activities

Institute of Computer Learning (ICL) Jaipur: Centre Manager cum Senior Faculty, Handling Teaching and Examination, Administration of the centre, Designing the course-curriculum for the computer centre.

APTECH, Jaipur: Assistant Academics Head, Teaching, Handling academic activities and conduction of examination at the APTECH Jaipur centre. Coordinating activities with the main centre of APTECH at New-Delhi

Datapro Information Technology (DIT) Jaipur: Training Executive, Handling Teaching, administration Co-ordinating activities with main centre of datapro Information Technology (DIT), at Bombay

Regional College of Education (RCE) Ajmer: Project Fellow CLASS Project (Computer Literacy And Studies in School), NCERT - New Delhi, Imparting training to Rajasthan Government / State Government teachers, Developing educational softwares, Teaching Undergraduate students

Compusoft Computer Centre, Jaipur: Trainee Programmer - Cum – Instructor, Software Development, Teaching students at the center and school

Concord Software Division, Jaipur: Trainee Programmer, Software Development

SUBJECTS TAUGHT

MONSOON (MO) 2025

IT337 Software Engineering (B.Tech V – CSE)

IT338 Software Engineering & Testing Lab (B.Tech V – CSE)

CN201 Java Programming (BCA – III)

CN202 Java Lab (BCA – III)

Guided Student Projects – BTech / MCA / BCA

SPRING (SP) 2025

CS400 Research Project / Industry Internship (B.Tech VIII – CSE)

CS241 Design and Analysis of Algorithm (B.Tech IV – AI)

CS242 Design and Analysis of Algorithm Lab (B.Tech IV – AI)

CS24101 Programming for Problem Solving (B.Tech II – AI)

Guided Student Projects – B.Tech / MCA / BCA

OFFICIAL RESPONSIBILITIES

Member of Admission Committee (2003-2006)

Co-Ordinator Students Registration Committee (MCA/BCA/IMCA) (since 2003) (BITEC/J/D/Cert./2016-17/268 dated Dec. 20, 2016)

In charge Examination (2004-2006)

In charge Timetable (2004-2016)

Member of Cultural Committee (Vibrations) (2006-2018)

Member of Discipline Committee (Annual Day) (BITEC/J/D/320/2014-2015 dated March 20, 2015)

Faculty Co-ordinator for BCG4, BITOSA GLOBAL CONCLAVE 4, dated December 06, 2017

Member of Graduation Ceremony 2018 (Stage Anchoring and Reception Committee) (BITEC/J/D/Graduation Ceremony/005/2018-19)

Member of Training and Placement Committee (BITC/J/D/NOTICE/208/2019-2020)

Member of Sports Committee (Cavorts) (BITECJ/D/2022-23/105), 24, 25

Member of Doctoral Committee (Doctoral Committee Meeting Notice dated July 07, 2016, Doctoral Committee Meeting Notice dated August 24, 2021)

Mentor of Technical Club (Programming Club)

Member of Graduation Ceremony Committees 2022 (BITEC/J/D/Graduation Ceremony/2022-23)

Member of BIT Jaipur Annual Sports Fest 2022-23 (BITECJ/D/2022-23/105 dated November 04, 2022)

Member of Timetable Committee of the Institute (email dated August 02, 2023), 24

Member of Institute Disciplinary Committee (BITJ/O/o/2023-24/Revised/32a dated August 30, 2023)

Member of Committee for NBA Accreditation Process (BITECHJ/O/o/2023-24/047 dated November 21, 2023)

Member Intellectual Property Rights (BITECJ/D/O/o/2024-25/187 dated February 06, 2024)

Member Secretary PARAKH Implementation Committee (BITECJ/D/O/o/2024-25/184 dated February 06, 2024)

Member Girls Hostel Management Committee (Warden) (BITJ/D/O/o/2024-2025/002 dated April 03, 2024)

1. Bhatnagar A., et. al, Artificial Intelligence in Nanotechnology, proceedings of the International Conference on Data Science & Big Data Analytics (IDBA-ACMWIR 2023), Conference proceedings of 2024, part of Book Series Data Intensive Research, Conference series link(s): IDBA: International Conference on Data Science and Big Data Analysis, eBook SpringerLink: (Data Science and Big Data Analytics: Proceedings of IDBA 2023 | SpringerLink, pp: 239-248, Data Science and Big Data Analytics, eBook ISBN 978-981-99-9179-2, Print ISBN 978-981-99-9178-5

WORKSHOPS ATTENDED

1. Participated in 5-day National Faculty Development Programme (FDP) on Research Structuring & Publication Process, conducted by National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu from June 23-27, 2025

2. Participated in 2-day Workshop, "Women Leaders in a Tech-Driven World", conducted by MNIT Jaipur in association with Indian National Academy of Engineering (INAE) from February 7-8, 2025

3. Participated and completed ATAL FDP on Blockchain Governance Structures and Trust: From Theory to Practice at Birla Institute of Technology, Off Campus Jaipur from December 23–28, 2024.

4. Participated and completed ATAL FDP on Generative Artificial Intelligence: Tools and Techniques at Birla Institute of Technology, Off Campus Jaipur from November 25–30, 2024.

5. Participated in 5-day online FDP, on the theme "Python Programming for Data Analysis", conducted by Electronics & ICT Academy, C-DAC Hyderabad, supported by the Ministry of Electronics & Information Technology, Govt. of India, from November 20–24, 2024.

6. Participated in Symposium on "Innovations in Artificial Intelligence in Biotechnology and Health Care", organized by School of Life and Basic Sciences & Institute of Medical Sciences and Research Centre, Jaipur National University (JNU) Jaipur from March 24-26, 2023.

7. Participated in 5-day online FDP, on the theme "Inculcating Universal Human Values in Technical Education", organized by All India Council for Technical Education (AICTE) from June 6-10, 2022.

8. Two week ISTE Workshop on Research Methodologies sponsored by MHRD and conducted by IIT Bombay Remote Centre, VIT Jaipur from June 25-4 July 2012.

WORKSHOPS ORGANISED

1. Organized AICTE ATAL FDP ID 1749721271 in December 2025 as CoOrdinator. Sanction of the Competent Authority for conduct of Six Day Online Faculty Development Programme on Recent Advances in AI and ML: Bridging Research and Industry under AICTE Training & Learning (ATAL) Programme for financial year 2025-26.

2. Organized 2 Days AI/ML Workshop titled - To explore the new technology, Student coordinator Mr. Aditya Arya [B Tech VI - CSE], 6-7 March 2024, as Google Developer Student Club Activity

3. Organized 3 Days Java Workshop titled - To enhance the skills of Java Programming, Student coordinator Mr. Rohil Krishna [BTech IV - CSE] [Batch - B], 5-7 March 2024, as CSI Activity.

4. Organized 1 Day Technorion Robotics Workshop at BIT, Off-Campus, Jaipur, 30 September 2023. A collaborative effort between Techfest, IIT Bombay, and BIT Mesra, Jaipur Campus.

TRAINING COURSES

1. One Day Training Program on Cloud Resilience & Cyber Hygiene Mastery, AICTE Innovation Centre, Malviya Nagar, Jaipur on November 12, 2025.

2. Mentored One Month Summer Internship under BIT Summer Internship Program for Advanced Research (BIT-SIPAR-2025) for three groups of students of Govt. Engineering College, Ajmer.

3. Two weeks UGC Sponsored Refresher Course at Academic Staff College, University of Rajasthan, Jaipur, from November 11-30, 2013.

4. Two weeks DST sponsored FDP Training at BITEC Jaipur, from January 15-27, 2013

MEMBER OF PROFESSIONAL BODIES

Institute Nominee Member of Computer Society of India (CSI), March 2012

TEXT AND REFERENCE BOOKS

1. Team Member of Course Structure Design and Development committee for designing and developing the New Course Structure of B.Sc. (Artificial Intelligence & Data Science) as per NEP-2020 for BIT Mesra, Jaipur Campus.

2. Internet and Web Page Design, Publication: BPB Publications, ISBN No. : 81-7656-278-5. Assisted in writing book for Dr. P.D. Murarka – ex-Professor, IIT – Kharagpur. The book is meant specially for the 'O' / 'A' / 'B' [MCA] Level students of DOEACC Society.

3. Software Engineering, Publication: Ajmera Book Company, Tripolia Bazaar, Jaipur. Authored book for BCA Part–III of University of Rajasthan, September, 2010.

PATENT APPLICATION PUBLICATION

Application No. 202511028329 A

Date of filing of Application: 26/03/2025

Publication Date: 18/04/2025

Title of the invention: INFORMATION TECHNOLOGY: CLOUD COMPUTING ADOPTION, IT MANAGEMENT STRATEGIES, AND ORGANIZATIONAL IMPLICATIONS

Abstract: The present invention relates to a system and method for intelligent cloud computing adoption and IT management, leveraging artificial intelligence (AI), predictive analytics, and automation to optimize cloud migration, resource allocation, security, and governance. The system comprises an AI-powered cloud adoption engine that assesses an enterprise's IT infrastructure to generate an optimized cloud deployment strategy, an automated IT resource management module for dynamic scaling, a security and compliance module for AI-based threat detection and regulatory adherence, and a business impact assessment tool for evaluating financial and operational implications. An interactive cloud monitoring dashboard provides real-time insights, security alerts, and cost analytics, ensuring seamless cloud adoption and management while minimizing operational risks and optimizing performance.

2. Faculty Development Program, Dept. Of Science and Technology, 15th - 27th January 2013.

3. Refresher course on IT, University of Rajasthan, UGC sponsored, 17th Dec. 2012 - 5th Jan. 2013

4. Challenges in BIG data Research, Department of computer Engineering, Malaviya National Ins. Of Technology, Jaipur, 9 Nov - 13 Nov 2013.

5. Application of remote sensing, GIS & GPS for decision support systems, 24 April to 20 May 2006.

PAPERS PRESENTED IN CONFERENCES

1. "A Conditional Task Metagraph and: a new concept for handling task scheduling", Yagyavalkya institute of technology in association with computer society of India Chennai and India society for technical education, National conference on Web services, computing and communication technology, 15-16 April 2011.

WORKSHOPS

1. Participated in 2-day Workshop, "Women Leaders in a Tech-Driven World", conducted by MNIT Jaipur in association with Indian National Academy of Engineering (INAE) from February 7-8, 2025

2. Participated and completed ATAL FDP on Blockchain Governance Structures and Trust: From Theory to Practice at Birla Institute of Technology, Off Campus Jaipur from December 23–28, 2024.

3. Participated and completed ATAL FDP on Generative Artificial Intelligence: Tools and Techniques at Birla Institute of Technology, Off Campus Jaipur from November 25–30, 2024.

4. Online UHV-II FDP organized by All India Council for Technical Education (AICTE) from 3rd June to 8th June 2024.

5. FDP-Training Program On "R Programming for Budding Data Analysts", organized by Research Foundation of India Date: 09-18 June 2024.

6. Summer training program on Emerging trends and technologies in Library and information centers organized by center library BIT Mesra Ranchi, 19-21 June 2024.

7. Participated in 5-day online FDP, on the theme "Python Programming for Data Analysis", conducted by Electronics & ICT Academy, C-DAC Hyderabad, supported by the Ministry of Electronics & Information Technology, Govt. of India, from November 20–24, 2024.

8. Participated in Symposium on "Innovations in Artificial Intelligence in Biotechnology and Health Care", organized by School of Life and Basic Sciences & Institute of Medical Sciences and Research Centre, Jaipur National University (JNU) Jaipur from March 24-26, 2023.

9. Participated in 5-day online FDP, on the theme "Inculcating Universal Human Values in Technical Education", organized by All India Council for Technical Education (AICTE) from June 6-10, 2022.

10. National Workshop on e-Governance, Organised by Central University Of Rajasthan, 20th December 2011.

WORKSHOPS / SUMMER TRAINING ORGANIZED

1. One Month Summer Training Program on "Fundamentals of Machine Learning using Python and R", Duration- 1st July – 31st July 2024, Coordinator – Dr Seema Gaur, Dept of CSE

2. Dr. Seema Gaur and Dr. Vishwambhar Pathak "Data Analytics using R", 24th -26th August, 2022.

3. Dr. Seema Gaur, Dr. Bhawna Agarwal, Dr. Gurminder Singh Malhotra, Dr. Indar Kumar Dadheech, "Fundamentals of Scilab and its Utilization", 7th -8th, October 2022.

MEMBER OF PROFESSIONAL BODIES

Institute Nominated member of Computer Society of India (CSI).

WORK EXPERIENCE

Teaching: 19 Years

Research: 15 Years

Individual: 20 Years

PROFESSIONAL BACKGROUND

Pankaj Gupta received the PhD degree in Computer Science from Department of Computer Science and Engineering, Birla Institute of Technology, Mesra, Ranchi.

He has a total academic teaching experience of 19+ years with more than 20 publications in reputed international conferences, journals and online book chapter contributions (Indexed By: ESCI, Scopus, DBLP). Currently guiding one Ph.D. research scholar.

His area of research includes: Database, Data Mining, Data warehouse, Data Science, Cloud Computing.

He has been Reviewer of International Journals like Bentham Science Publishers, IGI Global, Science Alert, Inderscience etc. and Member/Chair of Technical Organizing Committee for various Conferences, Conclaves and FDP's.

RESEARCH AREAS

Data Mining

Machine Learning

Data Science

Data Analysis

Database

Computer Architecture

INTERNATIONAL CONFERENCES

1. Pankaj Gupta and Bharat Bhushan Sagar, "Usability of an E-Commerce Website Using Information Mining and Artificial Intelligence", in Proceedings of International Conference on Information Technology and Knowledge Management, Annals of Computer Science and Information System, Vol 14, pp. 59-64, Delhi, 2017.

2. Pankaj Gupta and Bharat Bhushan Sagar, "Discovering Weighted Calendar-Based Temporal Relationship Rules using Frequent Pattern Tree", in Proceedings of the International Conference on Green Computing and Engineering Technologies, ISBN-978-81-938900-1-1, pp. 43, Denmark, 2016.

PRESENTATIONS/INVITED TALKS

1. Presented a paper titled "Decision Support System for Business Intelligence Using Data Mining Techniques: A Case Study", in International Conference on Computational Intelligence (ICCI), held on December, 2018 at BIT, Mesra.

2. Presented a paper titled "Usability of an E-Commerce Website Using Information Mining and Artificial Intelligence", in International Conference on Information Technology and Knowledge Management (ICITKM), held on December, 2017 at Delhi.

3. Presented a paper titled "Data Mining's Application for Analysing Performance of Social Empowerment Activities" in International Conference on Emerging Multimedia Technology for Social Equity and Empowerment held on March, 2017 at BIT, off-Campus, Noida.

4. Presented a paper titled "Discovering Interesting Weighted Temporal Relationship Rules", in International Conference on Substantial Computing Techniques in Engineering, Science and Management (SCESM), held on September, 2016 at Noida.

5. Presented a paper titled "Discovering Weighted Time Varying Temporal Relationship", in Golden Jubilee Convention on Digital Life, held on December, 2015 at CSI, Delhi.

6. Presented a paper titled "Role of GIS in Tourism Planning", in International Conclave on Engineering and Management, held on January, 2013 at BIT, Patna.

7. Presented a paper titled "Temporal data Mining", in International Conference of International Academy of Physical Sciences (CONIAPS XII) on Emerging Interfaces of Physical Sciences, held on December, 2010 at Jaipur.

NATIONAL JOURNALS

1. Pankaj Gupta and Garima Verma, "Performance Analysis of Shared Memory Model in Multiprocessor Environment", ANVESHANAM-A National Journal of Computer Science & Applications, pp. 10-18, 2013.

CONFERENCE/FDP/WORKSHOP/SEMINAR CONDUCTED

1. Conduct a National Seminar on "Future Trends of Research in Computer Science & Technology" at BIT on March 3, 2012, as Co-ordinator.

2. Conduct a National Conference on "Information and Communication Technology: Opportunities and Challenges in 21st Century" at BIT on February 4-5, 2011, as Co-ordinator.

WORKSHOP/TRAINING PROGRAMS PARTICIPATION

(None listed in profile)

MEMBER OF PROFESSIONAL BODIES

Member of Computer Society of India (CSI).

Member IEEE Computer Society USA.

Life Member, The Indian Society of Technical Education (ISTE).

Life Member, IEANG, Hong Kong.

CURRENT SPONSORED PROJECTS

Proposal has been accepted by "Science and Engineering Research Board, New-Delhi" as a Co-PI.

Project Title: Information Extractor and Categorizer for N-Lingual Image Documents using Machine Learning

Total Budget: 26,94,001 INR

TEXT AND REFERENCE BOOKS

1. Dr. Pankaj Gupta, "Role of Digital Technology During COVID-19 Pandemic", INDIAN ECONOMY 2020 Current Issues And Future Prospects, pp.155, 2020, ISBN: 978-81-946182-0-1, Navyug Books International, Delhi.

2. Pankaj Gupta & Bharat Bhushan Sagar, "Decision Support System for Business Intelligence Using Data Mining Techniques: A Case Study", Advances in Computational Intelligence. Advances in Intelligent Systems and Computing, volume 988, pp.81-94, 2019, ISBN: 978-981-13-8222-2, Springer, Singapore.

4. Deepak Kumar & Pankaj Gupta, "Fuzzy Software Release Problem with different Types of learning Functions for Fault Dictions and Correction Processes", Advances in Intelligent Systems and Computing, ISBN: 978-981-10-8847-6, 2015, Springer, Singapore.

INTELLECTUAL PROPERTY RIGHTS (IPR)

1. Patent Title: A MACHINE LEARNING BASED APPROACH FOR PRODUCTS EMBEDDED SENSOR OF E-COMMERCE SITES

Patent No.: 202231053644A

Award Date: 20.09.2022

Agency/Country: Indian

Status: Grant & Published

2. Patent Title: PEN WITH USB PEN DRIVE AND LED LIGHT

Patent No.: 346115-001

Award Date: 12-07-2021

Agency/Country: Indian

Status: Grant & Published

FELLOW

Fellow, Institution of Electronics and Telecommunication Engineers, New Delhi, India

MEMBER, EDITORIAL BOARD

Reviewer of International Journal of Procurement Management, Inderscience.

Reviewer of BENETHAM SCIENCE.

Reviewer of IGI-Global.

TPC Member during the International Conference on Machine Intelligence and Data science application in Association with next-generation Computing Technology Society at University of Petroleum and Energy Studies, Dehradun, Uttarakhand, India.

TPC Member for organized a special session on advanced in software testing in reliability during International Conference on Computing for Sustainable Global development Organised by BICAM, New Delhi

PROFESSIONAL BACKGROUND

PROFESSIONAL QUALIFICATIONS

M.Tech. (CSE) from Birla Institute of Technology, Mesra Ranchi. (Yr. 2000)

B.E. (Min.) from M.B.M Engineering College Jodhpur (JNV University, Jodhpur) (Yr. 1993)

Ph.D. (Pursuing) from Birla Institute of Technology, Mesra Ranchi

RESEARCH FACULTY FELLOW

Summer Research Faculty Fellow Program-2008 at Dept. of electrical engineering, IIT Delhi, and worked in computer vision and image processing field. (June 9, 2008 to July 21, 2008)

Summer Research Faculty Fellow Program-2014 at Dept. of electrical engineering, IIT Delhi, and worked in Biometrics field. (May 15, 2014 to July 4, 2014)

WORKING EXPERIENCES

Working as Assistant Professor with Birla Institute of Technology, Jaipur Campus, Jaipur.

Taught various subjects like: Computer Graphics, Artificial Intelligence, Soft Computing, Data Analytics, Image Processing, Computer Vision, Computational Geometry, Machine Learning, and Various programming Languages like: C/C++, Java, Matlab, Python and R etc.

CURRENT SEMESTER SUBJECTS (SP25)

CS335 Artificial Intelligence and Machine Learning (B.Tech (CS)-VI Sem)

CS336 Artificial Intelligence and Machine Learning Lab (B.Tech (CS)-VI Sem)

CN223 Python Programming (BCA-IV Sem)

OFFICIAL RESPONSIBILITIES

In-charge BIT Jaipur, Website maintenance

Member Purchase Committee.

Coordinator and Member Scrape disposal committee

Faculty mentor for AI club run by dept. of Computer Science & Engg.

Member Intellectual property right (IPR) Cell.

RESEARCH AREAS

Domains: Image processing, Computer Vision, Biometrics, and Data analytics

Techniques: AI, Soft computing, Machine learning and Deep Learning

PROJECT/THESIS SUPERVISED AT PG LEVEL

1. "Fuzzy Logic Aided Controller System design and implementation" (Ms. Shilpi Mishra, M.Tech.(CSE) 2013 Batch at Banasthali University, Niwai, Rajasthan)

2. "Features extraction from fingerprint images using morphological image processing". (Mr. Pradeep Sharma, M.Tech.(CSE), June, 2013 Batch at Jagan Nath University, Jaipur, Rajasthan).

3. "Digital Image Restoration". (Mr. Sagar Khandelwal, M.Tech.(CSE), Dec. 2013 Batch at Jagan Nath University, Jaipur, Rajasthan).

PROJECT/THESIS SUPERVISED AT UG LEVEL

1. "Drug Virus Association" Loveena Wadhwani (BE/25050/17), Harshita Chaudhary (BE/25045/17), Pavitra Agrawal (BE/25010/17) BE(CSE), 2021 Batch, Jaipur

2. "Social distancing detection using deep learning", Anshima Garg (BE/25002/17), Vidipta Sharma (BE/25005/17), Prakul Jain (BE/25006/27) BE(CSE), 2021 Batch Jaipur

3. "YouTube Video Ranking: A NLP based System", Anil Meena (BE/25012/16), Aman Sharma (BE/25013/16), Poorvi Sahni (BE/25014/16) BE(CSE) 2020 Batch, Jaipur

4. "Visual Question answering system" Kritika Jain (BE/25031/16), Tushar Gautam (BE/25033/16), BE(CSE) 2020 Batch, Jaipur

5. "Determination of Stock behavior by 10k filling forms", Riddhi Johri (BE/25032/16) Mansi Jain (BE/25051/16) Himanshu Tuteja (BE/25010/16), BE(CSE) 2020 Batch, Jaipur

6. "Compression of an Image using principal component analysis". (Richa Jain(BE/25002/15), Ritvi Sharma(BE/25004/15), Sonal Bajaj (BE/25042/15), BE(CSE) 2019 Batch)

7. "Hand Written character recognition" (Risabh Sharma(BE/25026/14), Preksha Jain(BE/25023/14), BE(CSE)-2018 Batch)

8. "Estimation of Urbanization of An Area" (Piyush Kumar (BE/25032/14), Himanshu Changwal (BE/25012/14), Rahul Kumar (BE/25013/14) BE(CSE) 2018 Batch)

9. "Vehicle Insurance Policy Premium optimization based on accidental data analysis" (Ankit Barjatiya(BE/25011/14), Nitesh Devnani(BE/25024/14), BE(CSE) 2018 Batch)

10. "News Extraction, classification, sentiment analysis and visualization". (Mr. Shiven Purohit and Ms. Varuna Gupta, BE(CSE) 2017 Batch)

11. "Image Processing based approach for detection of Leukemia in human blood sample". (Ms. Mahak Acharya and Ms. Surbhi Sharma, BE(CSE) 2017 Batch)

12. "Restoration of images degraded due to various blurrings". (Mr. Yash Maheshwari, Ms. Subhangi Mehror and Ms. Ritika Pamnani, BE(CSE) 2017 Batch)

13. "PCA Based Multispectral Image fusion for Image Enhancement" (Ms. Monica Dubey, and Ms. D. Shravya, BE(CSE) 2016 Batch)

14. "Detection and localization of brain tumor using MRI based image processing". (Ms. Sneha Gupta and Ms. Anakruti Gupta BE(CSE) 2016 Batch)

15. "Classification of automobiles and traffic density analysis on roads and highways". (Mr. Ankit Agarwal and Mr. Atul Pathak, BE(CSE) 2015 Batch)

16. "Handwritten Character Recognition System". (Mr. Vijay Bahadur Singh and Mr. Dilshad Hussain, BE(CSE) 2015 Batch).

17. "Image Processing based detection of Malarial parasite in human blood" (Ms Komal Meena and Mr. P. K. Tiwari, BE(ECE) 2014 batch)

18. "Face Detection and Recognition" (Mr. Chetan Agrawal, Mr. Nikhil Chandra, and Mr. Harsh Balyan, BE(CSE) 2014 batch).

19. "Blind Source Separation" (Ms. Neha Janyani, Ms. Seema Meena, Ms. Astha Sharma, Mr. Aman Chhabra, and Mr Kanishk Srivastava, BE(CSE) 2013 Batch)

20. "Efficient compression and encryption utility for fast and more secure transmission of digital images" (Mr. Tarun Kumar and Mr. Vikky Agrawal, BE(CSE) 2010 batch)

PAPERS PRESENTED IN INTERNATIONAL / NATIONAL CONFERENCES

1. Meena K., Tiwari P. K. and Gupta S. C., "Image Processing based detection of Malarial parasite in human blood", National conference on Recent trends in Computer and Communication Technology-2015, Global Institute of Technology, Jaipur (May 22, 2015).

2. Singh, N and Gupta S. C., "Fuzzy logic based automatic breaking system for automobile", National conference on computational and mathematical sciences, Computatia-2012 held at VIT, Jaipur, (Jan 28-29, 2012)

3. Gupta, S. C, "Finger-print enhancement using Fuzzy-logic based Image processing techniques", 2nd National conference on computational and mathematical sciences, Computatia-II, 2012 held at VIT, Jaipur, (Nov 30, 2012 to Dec 1, 2012).

4. Gupta, S. C. and Agarwal S., Segmentation of colored objects from images and video using adaptive thresholding technique, 3rd National conference on computational and mathematical sciences, Computatia-2013 held at VIT, Jaipur, (Nov 25-26, 2013).

5. Gupta S., Vijayvargiya S. and Bhatacharya V. "Choice of Baseline Model: Impact on Transfer Learning-Based Detection of Diabetic Retinopathy", 9th International conference on Soft Computing: Theory and Applications (Socta24) Dec 27-29, 2024. MNIT, Jaipur

SUMMER TRAININGS AND WORKSHOPS ORGANIZED AT BIT, JAIPUR

1. Summer Training Program 'Python Programming' organized at BIT, Off-Campus, Jaipur, during 4th July to 12th August, 2022 (6 weeks program)

2. STP on "Machine Learning and Data Analytics with R/ Python/ Matlab", May 11-18, 2017

3. STP on "Image Processing and its applications using Matlab and R" May 16-18, 2016.

4. STP on "Data Analysis and Image Processing with R and Python" May 11-16, 2015

5. Workshop on "Applications and Web Development using Java Technology", July 09-15, 2014

6. STP on "Java Programming and Web Technology", June 1-10, 2013

INTERNATIONAL/NATIONAL WORKSHOPS/SEMINARS (ACADEMICS/PROFESSIONAL) PARTICIPATION

1. PSSI National workshop on Plasma Science and Technology: Industrial applications and Diagnostics, organised by BIT, Jaipur Campus, Jaipur (Aug 30, 2005 to Sept 2, 2005)

2. IAEA International workshop on challenges in Plasma spectroscopy for future fusion research machines, organized by BIT, Jaipur Campus, Jaipur (Feb 20-22, 2008)

3. National workshop on Effective Intellect Management: an emerging practice to sustain growth in knowledge based competitive business environment, organised by BIT, Jaipur Campus, Jaipur (Apr 26-27, 2008)

4. Faculty Workshop on soft skills-2009 organized by Training and Placement Division of BIT, Mesra, Ranchi. (Sept 17-19, 2009)

5. National workshop on Recent advances in Data mining and Data warehousing-2011 organized by SQC & OR Unit, Indian Statistical Institute, New Delhi. (Oct 19-23, 2011)

6. ISTE Workshop on Introduction to Research Methodologies-2012 conducted by IIT Bombay under National Mission on education through ICT (MHRD). (June 25, 2012 to July 4, 2012)

7. Workshop on Entrepreneurship Development-2013 under Faculty development program, sponsored, Department of Science and Technology, Govt. of India. (Jan 15-27, 2013)

8. ISTE Workshop on Database Management Systems-2013 conducted by IIT Bombay under National Mission on education through ICT (MHRD). (May 21-31, 2013)

9. National workshop on Challenges in Big Data Research-2013 organized by MNIT, Jaipur. (Nov 9-13, 2013)

10. National workshop on Biometrics and Privacy protection, organised by MNIT Jaipur (Dec 23-25, 2013)

11. International workshop on Emerging Trends in Information Technology-2014 organized by LNM IIT, Jaipur (Feb 14-15, 2014)

12. Seminar on Matlab & Simulink for engineering education organized by MathWorks India Pvt. Ltd. held at Hotel Four Square, Jaipur (Nov 21, 2014).

13. Workshop on "WOW at Work", organised by Federation of Indian Chambers of Commerce and Industry May 17, 2017, at Hotel Om tower, Jaipur

14. One week TEQIP-III approved Faculty development Programme on Research through HPC held during: term1: 19th Sept. 2020, term2: 23-24 Jan. 2021 and term3: 30-31 Jan 2021. Organized by Birla Institute of Technology, Mesra, Ranchi.

15. One day training program under National Intellectual property awareness mission, Intellectual Property office India (4th May 2022).

FACULTY DEVELOPMENT PROGRAM ATTENDED

1. Short Term Programme on Innovation and Recent Trends in Data Analytics, Banasthali Vidyapith, Niwai, Tonk, (Dec. 26-31, 2016).

2. One week TEQIP-III approved Faculty development Programme on Research through HPC held during: term1: 19th Sept. 2020, term2: 23-24 Jan. 2021 and term3: 30-31 Jan 2021. Organized by Birla Institute of Technology, Mesra, Ranchi.

3. Six-days National Faculty Development Program on "Python Programming" held from 14-19th Oct, 2024 at CSSR SSRM Degree and PG College Kamlapurum, AP.

4. 5-Days Faculty Development Program on "Python Programming for Data Analysis" organized from Nov. 20-24, 2024 by Electronics and ICT Academy C-DAC, Hyderabad.

INVITED TALKS

15th Rajasthan Ganita Parishad and Symposium on Application of advance mathematics in engineering-2004 (Feb 14-15, 2004) held at Arya College of Engineering & IT, Jaipur.

Mr. Aruna Malik

Joined Institute on: 5-Aug-2005

Title: SYSTEM AND METHOD FOR DECENTRALIZED IOT DEVICE AUTHENTICATION AND DATA VALIDATION USING BLOCKCHAIN AND ARTIFICIAL INTELLIGENCE

Country: INDIA

Application No.: 202511078993

Date: Aug 20 2025

Status: Published

Design No.: 459469001

Abstract: Disclosed herein is a system and method for decentralized IoT device authentication and data validation using blockchain and artificial intelligence (100) comprises a plurality of IoT devices (102) configured to generate device-specific identification data and operational data. The system also includes a blockchain network (104) comprising a distributed ledger stored across a plurality of blockchain nodes. The system also includes an artificial intelligence (AI) module (106) configured to analyze operational data to detect anomalies, inconsistencies, or patterns indicative of unauthorized device access or data tampering. The system also includes a smart contract engine (108) configured to automatically trigger authentication processes based on said authentication scores. The system also includes a communication interface (110) configured to enable secure, encrypted transmission of data between IoT devices, blockchain network, and AI module.

WORK EXPERIENCE

Teaching: 24 Years

Research: 8 Years

Individual: 33 Years

PROFESSIONAL BACKGROUND

PROFESSIONAL EXPERIENCE

1. Worked as an Assistant Programmer from August, 1992 – September, 2000 at B.I.T. S.T.E.P. Mesra, Ranchi and B.I.S.R., Mesra, Ranchi

Job Profile: Assigned the role of In-charge, Computer Center to coordinate IT related work for different in-house and other development activities of the organization. Supervised the data processing and IT related work with respect to the in-house development work / undertaken research projects.

2. Worked as a Lecturer in the Department of CSE, from October, 2000 – May, 2007 at B.I.T. Mesra, Ranchi, Off-campus, Jaipur

3. Worked as a Senior Lecturer in the Department of CSE, from June, 2007 – June, 2012 at B.I.T. Mesra, Ranchi, Off-campus, Jaipur

4. Worked as an Assistant Professor (Level -12) in Department of CSE, from July, 2012 – Till date at B.I.T. Mesra, Ranchi, Off-campus, Jaipur

Job Profile [2, 3, 4]: Performed allotted teaching assignments with respect to different theory and Laboratory courses at UG and PG level

Subjects taught at UG / PG level: Database Management System, Operating System, Artificial Intelligence, Management Information System, Data Mining, E-Commerce, Data Mining and Warehousing

Subjects allotted in Current session (SP-25): Introduction to Artificial Intelligence, Fundamentals of Data Structure, Modern Artificial Intelligence

EDUCATIONAL BACKGROUND

1. Currently Pursuing PhD. in Computer Science & Engineering from Jagannath University, Jaipur

2. Master in Computer Applications: Completed the course in year 2000 from Birla Institute of Technology, Mesra, Ranchi with CGPA 3.30 out of 4.0 equivalent to 66.60% in aggregate.

3. Post Graduate Diploma in Computer Applications – Completed the course in year 1991 from Xavier Institute of Social Services (X.I.S.S.) Ranchi with 7.32 out of 10.0 equivalent to 73.2% in aggregate.

4. B.Sc. (Hons. in Mathematics) - Completed the course in the year 1988 from Ranchi University, Ranchi and placed in First Division

5. Intermediate in Science (+2) – Completed the course in the year 1985 from Bihar Intermediate Council Board, Patna and was placed in Second Division

6. 10th – Completed the course in the year 1983 from B.I.T. Mesra, High School, Mesra, Ranchi and placed in First Division

RESEARCH AREAS

Design of secure Biometric System, Ontology, Artificial Intelligence and Machine Learning

WORK EXPERIENCE

Teaching: 23 Years

Research: 16 Years

Individual: 23 Years

PROFESSIONAL BACKGROUND

SUMMARY

23 years including teaching various papers of Computer Science & Engineering/Applications, research, and academic administration.

Subjects Taught – Deep Learning, Artificial Intelligence and Machine Learning, Data Warehousing & Data Mining (R language), Design & Analysis of Computer Algorithms, Data Structures, Parallel Computing, Soft Computing (using Matlab), Artificial Neural Networks, Formal languages and Automata Theory, Compiler design, Information Technology in Management, Software Engineering Lab (using Rational Rose)

WORK EXPERIENCE

Sept 2011 till date: Asst. Professor, Dept of CSE, BITMESRA Extn. Center, Jaipur

Sept 2008 – Aug 2011 (on deputation): Sr. Lecturer & In-charge, Dept. of Comp. Sc. & Engg.; Member of the academic coordination division, at BIT International Center, RAK, UAE

June 2007 – Aug 2008: Sr. Lecturer, Dept. of CSE, BITMESRA Extn. Center, Jaipur (Feb 2008 – May 2008 Visiting Faculty @ BIT International Center, RAK, UAE)

Sept 2005 – May 2007: Lecturer, Dept. of CSE, BITMESRA Extn. Center, Jaipur

May 2002 – Sept 2005: Lecturer, University Department of Computer Applications, T.M.Bhagalpur University, Bhagalpur, Bihar [As the founding faculty member of the MCA course in the department, I had active participation in academic, administrative affairs and examinations of the department, as member of the syllabus committee, the question setting and moderation board, and the purchasing committee for the MCA course.]

Sept 2000 – Feb 2001: Trainee Programmer (MCA Curriculum), RRSSC/ISRO/DOS, Jodhpur

Project: Design and development of Water Resources Information System (WARIS) - a Geographic Information System (GIS) based Application and Query Shell for Water Resources Management. Platform and Software: ArcViewGIS 3.0 / Avenue as back-end and Visual Basic 6.0 as front end

RESEARCH AREAS

Machine Learning, Deep Learning, Functional Time Series Analysis and Brain Computer Interface

TALKS/PRESENTATIONS

1. Served as Judge in National Science Seminar-2024 at state level at Rajasthan Legislative Assembly, Jaipur on 12 September 2024 organized by Department of Science and Technology/ Regional Science Centre and Science Park, Jaipur, Government of Rajasthan

2. Resource person for lectures in "Machine learning using python" in "MHRD sponsored certificate course in Computer Aided Drug Design" organized by Birla Institute of Scientific Research, Jaipur during Oct 7'2022 – March 25' 2023

3. Invited speaker in "International Workshop on Machine Learning and Human Intelligence" organized by Manipal University, Jaipur on August 30, 2022

4. Lecture on "Python for Data Analytics- Big Data Context and BioInformatics Use Cases" at International workshop on Systems Bioinformatics and Biopython Modules" during 04-08 February 2020 at Bioinformatics Centre, Birla Institute of Scientific Research, Jaipur

5. "Scalable Machine Perception - A Case of Big Data" at Indo-German Spring School on Algorithms for Big Data at IITB during February 18-22, 2019, funded by the IIT Bombay and the German Research Foundation (DFG) (presented as participant)

STUDENTS TRAINING PROGRAM CONDUCTED

1. Summer Training Workshop for students - "Data Analytics using R" during August 22-24, 2022, Resource Persons: Dr. Vishwambhar Pathak, Dr. Seema Gaur

2. Summer Training Program (May 16-18, 2016) on "Image Processing and its applications using Matlab and R language" for students of BIT MESRA Jaipur Campus.

3. Summer Training Program (May 16-18, 2015) on "Summer Training Image Processing and its applications using Matlab and R language" for students of BIT MESRA Jaipur Campus.

4. One week Summer Training Program (May 11-16, 2015) on "Statistical Data Analysis and Image Processing Using R and Python" for students of BIT MESRA Jaipur Campus.

WORKSHOP CONDUCTED

1. Conducted Workshop on Android APP development, organized by Birla Institute of Technology, Mesra-Jaipur Campus, June 22-23, 2022 as Co-ordinator.

CONFERENCE CONDUCTED

1. Conducted International Conference on Contemporary Trends in Multidisciplinary Research & Innovation-2023 (ICCTMRI - 2023), Organized By Birla Institute of Technology, Mesra- Jaipur Campus, July 27-28, 2023 with Taylor and Francis and Union Bank of India as Convenor.

FDP'S AND TRAINING PROGRAMS ATTENDED

1. Faculty Development Programme/ Short training on "Advanced Wireless Networks" held during 30th June – 4th July, 2014, Organized by Malviya National Institute of Technology, Jaipur.

2. Faculty Development Programme on "Research through HPC" held during Term1: 19th September 2020, Term2: 23-24 January 2021, Term3: 30-31 January 2021 Organized by Birla Institute of Technology, Mesra, Ranchi, Jharkhand

3. Faculty Development Programme/ Short training on "Applied Machine Learning and Its Applications with Python" held during 27th Jan – 7th Feb, 2021, Organized by EduxLabs in Association with E-cell IIT Hyderabad.

4. Six Days Short Term Training Program on "Machine Learning and Computer Vision" (Phase-1) held from 7th March to 12th March 2022 organized by Computer Science & Engineering Department, Tripura Institute of Technology, Agartala, Tripura

5. Six Days Short Term Training Program on "Machine Learning and Computer Vision" (Phase-2) held from 21st March to 26th March 2022 organized by Computer Science & Engineering Department, Tripura Institute of Technology, Agartala, Tripura

6. Six days Short Term Training Program (STTP on MLCV) Phase-3 on "Machine Learning and Computer Vision" held from 11th April to 16th April 2022 organized by Computer Science & Engineering Department, Tripura Institute of Technology, Agartala, Tripura

7. 5-day online FDP on the theme "Inculcating Universal Human Values in Technical Education" from 6th June – 10th June, 2022, organized by All India Council for Technical Education (AICTE)

8. Faculty Development Programme on "Python", 14th Oct - 19th Oct 2024, organized by CSSR & SRRM Degree & PG College

9. Faculty Development Programme on "Generative Artificial Intelligence: Tools and Techniques", 25th Nov - 03rd Dec, 2024, organized by Birla Institute of Technology Mesra, Jaipur Campus.

10. Faculty Development Programme on "Blockchain Governance Structures and Trust: From Theory to Practice", 23rd Dec - 28th Dec, 2024, organized by Birla Institute of Technology Mesra, Jaipur Campus.

11. Faculty Development Programme on "Quantum Technologies & Applications", 28th Feb - 22nd Mar, 2025, organized by DST - NQM / AICTE / UGC.

12. Faculty Development Programme on "Quantum Computing with Machine Learning", 02nd June - 06th June, 2025, organized by EduxLabs in association with IIT Madras.

PRIOR INDUSTRY EXPERIENCE

Before BIT, also worked as an IT Engineer with CMC Ltd, (A Subsidiary of TCS, A TATA Enterprises) from 20th August 2007 to 24th Feb 09. In job profile I had to work as a Corporate Trainer for taking Sessions for clients like TCS, ITEC (For Foreign delegates under Ministry of External Affairs), CRIS (Railways) over Project Management & Planning, Core Java, Indian Army Commissioned Officials, while working in CMC Ltd, New Delhi. I was also supposed to work as a software tester on different software projects.

SOME OF PROJECTS HANDLED

1. Project: TCS-ILP

Customer: TATA CONSULTANCY SERVICES

Description: Training imparting for Employees of TCS

Role: Trainer

Highlights: PROCESS MODEL, REQUIREMENT ANALYSIS, SOFTWARE DESIGN, SOFTWARE TESTING, JAVA

2. Project: MEA-ITEC/SCAAP

Customer: Ministry of External Affairs. (Govt. of India)

Description: Process implementation & imparting training for International Candidates.

Role: Technical Lead

Highlights: Software Engineering, Java

3. Project: Franchise Connect

Customer: CMC Ltd

Role: Testing the application & Training all Franchise units in Northern Region.

Description: This module facilitates all franchise units of CMC to get connected on-line for their billing Roll outs, participant enrollments, course plans & reviews to be shared. In addition to this it has got the facilitation for on-line query status for participants. The application has got separate module for logistics even.

RESEARCH AREAS

Software Engineering

Machine Learning

Artificial Intelligence

Image Processing

AWARD AND HONOURS

1. "Siksha Ratna Award 2023" by Taxila Business School Jaipur in Dec. 2023

2. Got "Letter of Appreciation" by Indian Railway for giving training to IRTS on Project management at Lucknow

PUBLICATIONS

WORKSHOPS / FACULTY DEVELOPMENT PROGRAMMES ATTENDED

1. Workshop Topic: Database Management Systems

Conducted By: IIT Bombay

Date: 21 May 2013 to 31 May 2013

Level: Faculty Development Programme

Category: Faculty Development Programme

Type: External

2. Workshop Topic: Entrepreneurship Development

Conducted By: Department of Science & Technology, Govt. of India

Date: 15 Jan 2013 to 27 Jan 2013

Level: Faculty Development Programme

Category: Faculty Development Programme

Type: Internal

3. Workshop Topic: Research Methodologies

Conducted By: IIT Bombay Under the National Mission on Education through ICT (MHRD, Govt. of India)

Date: 25 Jun 2012 to 04 Jul 2012

Level: Faculty Development Programme

Category: Faculty Development Programme

Type: External

4. Workshop Topic: Software Engineering

Conducted By: Bharti Vidyapeeth New Delhi

Date: 18 Dec 2006 to 30 Dec 2006

Level: Faculty Development Programme

Category: Faculty Development Programme

Type: External

5. Workshop Topic: Testing of Object Oriented Software

Conducted By: BIT Mesra

Date: 11 Mar 2013 to 13 May 2013

Level: Faculty Development Programme

Category: Faculty Development Programme

Type: External

6. Workshop Topic: Digital Supply Chain and Logistics 4.0

Conducted By: MNIT Jaipur

Date: 16 Jan 2023 to 21 Jan 2023

Level: Faculty Development Programme

Category: Faculty Development Programme

Type: External

7. Workshop Topic: Generative Artificial Intelligence: Tools and Techniques

Conducted By: Birla Institute of Technology Off Campus Jaipur

Date: 25 Nov 2024 to 30 Nov 2024

Level: Faculty Development Programme

Category: Faculty Development Programme

Type: Internal

8. Workshop Topic: Blockchain Governance Structures and Trust: From Theory to Practice

Conducted By: Birla Institute of Technology Off Campus Jaipur

Date: 23 Dec 2024 to 28 Dec 2024

Level: Faculty Development Programme

Category: Faculty Development Programme

Type: Internal

Individual: 12 Years

PROFESSIONAL BACKGROUND

Dr. Abhishek Tiwari is an Assistant Professor in Computer Science with over a decade of academic, teaching, and research experience, specializing in Artificial Intelligence for Healthcare. He currently serves at Birla Institute of Technology, Mesra, and has previously held faculty positions at Bennett University (Times of India Group), Galgotias Educational Institutions, ABES Engineering College, and ITM University. He earned his Ph.D. in Computer Science and Engineering from Shiv Nadar Institution of Eminence (HCL Group R&D), where his research focused on deep learning–based frameworks for sparse diffusion MRI analysis. His work addresses clinically relevant challenges in neuroimaging, particularly early diagnosis of neurological and psychiatric disorders.

Dr. Tiwari has published extensively in Q1 SCI journals and top-tier international conferences (Core Rank A/A*), including ICCV, ACML, ICPR, and WACV. He is the inventor of an Indian utility patent in AI-driven diagnosis of Major Depressive Disorder and the author of an international research monograph on diffusion MRI. His professional contributions span teaching, mentoring, funded research, patents, and global academic collaborations, with a strong commitment to advancing explainable, ethical, and energy-efficient AI for real-world healthcare impact.

RESEARCH AREAS

AI for Healthcare

Diagnosis and Prognosis of disease based on Deep Learning based framework.

Computational Diffusion MRI Brain Tractography

Computer Vision/ Deep Learning for Medical Imaging

Artificial Intelligence in Healthcare with a strong focus on deep learning–driven medical image analysis, particularly diffusion MRI, white-matter tractography, and sparse imaging. My research advances early diagnosis and biomarker discovery for neurological and psychiatric disorders (e.g., Alzheimer's disease, depression) through transformer-based models, computational imaging, explainable AI, and clinically deployable systems.

AWARD AND HONOURS

1. Chancellor's Gold Medal (2012) — Awarded by the Hon'ble Governor of Uttar Pradesh for academic excellence.

2. International Rank Holder — MICCAI 2022 Singapore, QuaD22 Challenge.

3. Russian Government Scholarship (2017) — Moscow Institute of Physics and Technology, Russian Federation.

4. HCL Ph.D. Fellowship (33.24 Lakhs) — Fully funded doctoral scholarship, Shiv Nadar Institution of Eminence.

5. Global Young Scientists Summit (GYSS 2023) — Selected delegate, National Research Foundation & Prime Minister's Office, Singapore.

6. ACM India Travel Grant (1 Lakh) — ICCV 2023, Paris (Core Rank A*).

7. Doctoral Consortium Award — ICPR 2024 (Core Rank A) and IEEE CVMI 2024.

PUBLICATIONS

2026

1. Abhishek Tiwari, Jaydeep, Rohit, "Minority class–aware multiclass arrhythmia detection using conditional GAN augmentation", has been published in Nature Scientific Reports | Q1 SCI Journal Impact Factor 3.9 [Paper]

2. Abhishek Tiwari, Deepak, Marco Leo, "BioSLM-Interpret: Interpretable Small Language Model Reasoning for Multimodal Biometric", IEEE 22nd International Conference on Advanced Visual and Signal-Based Systems, Italy (Core Rank B), IEEE AVSS2026 Italy Acceptance rate = 30%

3. Abhishek Tiwari, Aditi, Deepak, Marco Leo, "Depression-Aware TimeFlow (DATF): Modeling Neuroplasticity from Longitudinal MRI for Depression Recovery", Intelligent Surveillance and Monitoring Systems: AI Across Distributed and Multimodal Environments workshop at IEEE 22nd International Conference on Advanced Visual and Signal-Based Systems, Italy (Core Rank B), IEEE AVSS2026 Italy Acceptance rate = 30%

2025

1. Abhishek Tiwari, Saurabh J. Shigwan, "Ethical AI-Driven Tract-based classification for Early Alzheimer's Detection using sparse Diffusion MRI", IEEE/CVF Winter Conference on Applications of Computer Vision (WACV 2025) workshop on Ethical development and evaluation of multi-modal AI in healthcare (Core Rank A*) [WACV 2025 USA, Oral Acceptance rate 37.8%] [Paper]

2. Abhishek Tiwari, Saurabh J. Shigwan, "Tract-Specific Biomarker Discovery for Early Alzheimer's Disease Using Sparse Diffusion MRI and AI framework", 11th International Conference on Pattern Recognition and Machine Intelligence PReMI 2025, IIT Delhi [Acceptance rate 25%]

2024

1. Abhishek Tiwari, "Deep Learning Based Framework for DTI Parameters Estimation and Analysis for Sparse Diffusion MRI data", 27th International Conference on Pattern Recognition (ICPR 2024) Dec 1-5, Kolkata, India (Core Rank A) [URL: Doctoral Consortium]

2023

1. Abhishek Tiwari, Rajeev Kumar Singh and Saurabh J. Shigwan, "SwinDTI: Swin transformer based generalized fast estimation of diffusion tensor parameters from sparse data" Springer Neural Computing & Applications, Q1 SCI Journal IF = 6.0 https://doi.org/10.13140/RG.2.2.20342.78406 [Paper]

2. Abhishek Tiwari, Saurabh J. Shigwan and Rajeev Kumar Singh et al., "Validation of Deep Learning techniques for quality augmentation in diffusion MRI for clinical studies" Elsevier NeuroImage: Clinical Q1 SCI Journal IF = 4.2 https://doi.org/10.1016/j.nicl.2023.103483 [Paper]

3. Abhishek Tiwari, Ananya Singhal, Saurabh J. Shigwan, Rajeev Kumar Singh, "Deep Learning Framework using Sparse Diffusion MRI for Diagnosis of Frontotemporal Dementia", IEEE/CVF International Conference on Computer Vision ICCV 2023 (Core Rank A*, h-index 228) workshop on BioImage Computing. [ICCV 2023 Paris, Acceptance rate: 2160 / 8068 ≈ 26.8%, Core Rank A*] [Paper]

4. Abhishek Tiwari, Ananya Singhal, Saurabh J. Shigwan, Rajeev Kumar Singh, "Early Diagnosis of Alzheimer through Swin-Transformer-Based Deep Learning Framework using Sparse Diffusion Measures" The 15th Asian Conference on Machine Learning (ACML 2023) Proceedings of Machine Learning Research (PMLR) vol 222, 2023, ISSN: 2640-3498. ACML Paper: Link [ACML 2023 Turkey, Acceptance rate ≈ 26.9%, with just four papers selected from India]

5. Abhishek Tiwari, Saurabh J. Shigwan and Rajeev Kumar Singh et al., "Validation of Deep Learning techniques for quality augmentation in diffusion MRI for clinical studies" prestigious Wiley ISMRM & ISMRT 2023 Annual Meeting & Exhibition in Toronto, ON, Canada, 03-08 June 2023 [ISMRM Poster-Session]

2022

1. Abhishek Tiwari and Rajeev Kumar Singh, "Performance, Trust, or both? COVID-19 Diagnosis and Prognosis using Deep Ensemble Transfer Learning on X-ray Images" 13th Indian Conference on Computer Vision, Graphics and Image Processing, (ICVGIP 2022) held on IIT Gandhinagar, ISBN 978-1-4503-9822-0/22/12. [ACM ICVGIP Oral Acceptance rate ≈ 9.4%] [Paper]

2021

(None listed in profile)

2020

1. Abhishek Tiwari and Alexey N. Nazarov, "Super-Resolution Imaging and Deep Learning solutions for Classification, Monitoring & Diagnosis of Alzheimer's Disease", CISRI 2020 Book Chapters: Computational Intelligence Methods for Super-Resolution in Image Processing Applications, Springer Nature Book SCOPUS Indexed.

2. Abhishek Tiwari, "Multidimensional Medical Imaging Analysis Alzheimer's Disease via Image Processing and Machine Learning: A Review, Diagnosis and Challenges, 3rd International Conference on Innovative Computing and Communication (ICICC-2020) 21-23rd Feb, 2020 proceeding at Elsevier SSRN ©2020 Elsevier (SCOPUS Indexed).

2019

1. Abhishek Tiwari et al., "Multidisciplinary Approach of Artificial Intelligence over Medical Imaging: A Review, Challenges, Recent Opportunities for Research, 3rd IEEE International conference on I-SMAC (IoT in Social, Mobile, Analytics and Cloud) (I-SMAC 2019) proceeding at IEEE Xplore, organized on 12-14, December 2019 (SCOPUS Indexed).

2018

1. Abhishek Tiwari and Sanjeev Kumar Ojha, "Design and analysis of intrusion detection system via neural network, SVM and neurofuzzy", International Conference on Emerging Technologies in Data Mining and Information Security (IEMIS-2018) proceeding at Springer AISC (Advances in Intelligent Systems and Computing) Series, indexed by SCOPUS, Springer link, ISSN: 2194-5357.

2. Mayank Dixit, Abhishek Tiwari and Himanshu Pathak, "An overview of deep learning architectures, libraries and its applications areas", International Conference on Advances in Computing, Communication Control and Networking (ICACCCN-2018) proceeding at IEEE Xplore (IEEE Conference Record Number: #43907) ISBN No. 978-1-5386-4119-4.

2017

1. Abhishek Tiwari, "Real time intrusion detection system using computational intelligence and neural network: Review, analysis and anticipated solution of machine learning" Springer International Conference on Information Technology and Applied Mathematics (ICITAM-2017) proceeding at Springer Book Series: Information Technology and Applied Mathematics, ISBN:978-981-10-7590-2, ISSN 2194-5357.

2. Abhishek Tiwari et al., "An effective approach for secure video watermarking based on H.264 Standard" 3rd IEEE International Conference on Computational Intelligence and Communication Technology (CICT-2017) indexed by Scopus and proceeding at IEEE Xplore.

3. Abhishek Tiwari and Ankit Vidyarthi, "Semantically ontology merging with intelligent information retrieval using SPARQL on education domain" International Conference on Communication and Computing System, indexed by CRC Press, Taylor & Francis Group. (Published as Book Chapter at CRC Press/Balkema - Taylor & Francis Group) ISBN: 9781138029521- CAT#K29517 [Book cost £230 pound]

2016

(None listed in profile)

2015

1. Abhishek Tiwari and Kamlesh K. Gupta, "An effective approach of digital image watermarking for copyright protection" International Journal of Big Data Security Intelligence Vol.2 No.1(2015), pp 7-17 http://dx.doi.org/10.14257/ijbdsi.2015.2.1.02 ISSN: 2383-7047 SERSC: Science & Engineering Research Support Society, Sandy Bay, Australia.

2. R. Gupta and Abhishek Tiwari, "Analysis of satellite image filters for RISAT: A Review", Int. J. of Grid Distribution Computing Vol. 8, No.5, (2015), pp.111-116 http://dx.doi.org/10.14257/ijgdc.2015.8.5.10 ISSN: 2005-4262 SERSC: Science & Engineering Research Support Society, Sandy Bay, Australia.

2014

1. Abhishek Tiwari and Neelesh Kumar Jain, "Wave atom based compression method for fingerprint images" International Conference on Advances in Computing & Communication Engineering (ICACCE-14) sponsors by IEEE, ACM and TEQIP-II (Published as Book Chapter at Excel India Publishers) ISBN: 978-93-83842-15-5 [Book cost $80]

2. Abhishek Tiwari, Neelesh Kumar Jain and Devraj Tomar, "Analysis of multiscale transform based digital image watermarking for multimedia files", Int. J. for Scientific Research and Development, ISSN: 2321-0613 Volume 2, Issue 2, in April 2014 pp.177-182.
