Examination Regulations – BIT Jaipur

1. Undergraduate (UG) Programmes

1.1 Theory Courses

The evaluation of theory courses shall be based on Continuous Internal Assessment (CIA) and End Semester Examination (ESE).

Continuous Internal Assessment may consist of:

- Mid-Semester Examination
- Quizzes
- Assignments
- Presentations
- Teacher's Assessment
- Attendance and Class Participation

The End Semester Examination shall be conducted by the Examination Section of the Institute according to the Academic Calendar.

1.2 Laboratory Courses

Laboratory courses shall be evaluated through:

- Continuous assessment of laboratory performance
- Laboratory records and reports
- Quizzes
- Practical examinations
- Viva-Voce examinations

Students must satisfactorily complete all laboratory requirements to earn course credits.

1.3 Project Work and Internship

Project work may be carried out individually or in groups as approved by the Department.

Evaluation shall be based on:

- Performance assessed by the Project Guide
- Departmental Project Evaluation Committee assessment
- External Evaluation, wherever applicable
- Final Project Report and Viva-Voce

Students undertaking internships in lieu of project work must submit completion certificates and reports as prescribed by the Department.

1.4 Attendance Requirement

Students must maintain a minimum attendance of 75% in every course to become eligible for End Semester Examinations.

Students failing to meet the attendance requirement may be required to repeat the course as per Institute regulations.

1.5 Award of Degree

A student shall be awarded the degree upon successful completion of all prescribed credits, academic requirements, project work, internships, and other graduation requirements specified by the Institute.

---

2. Postgraduate (PG) Programmes

2.1 Theory Courses

The evaluation of theory courses shall consist of:

- Continuous Internal Assessment
- End Semester Examination

Internal assessment may include:

- Quizzes
- Assignments
- Seminars
- Presentations
- Viva-Voce
- Class Participation

The End Semester Examination shall be mandatory for successful completion of the course.

2.2 Laboratory Courses

Laboratory and practical courses shall be evaluated through:

- Laboratory performance
- Assignments and records
- Practical examinations
- Viva-Voce examinations
- Continuous assessment by faculty members

2.3 Dissertation and Project Work

Every postgraduate student shall undertake project work, dissertation, internship, or research assignments as prescribed in the curriculum.

Evaluation shall be carried out through:

- Project Guide Assessment
- Departmental Evaluation Committee
- External Examiner Evaluation
- Dissertation Presentation and Viva-Voce

Submission of a dissertation report shall be mandatory wherever applicable.

2.4 Attendance Requirement

A minimum attendance of 75% shall be mandatory in all courses.

Students with attendance below the prescribed requirement may not be permitted to appear in End Semester Examinations.

2.5 Award of Degree

A postgraduate degree shall be awarded only after successful completion of all coursework, dissertation/ project requirements, and prescribed credit requirements.

---

3. Doctor of Philosophy (Ph.D.) Programme

3.1 Course Work

All Ph.D. scholars shall successfully complete the prescribed coursework before proceeding to advanced research work.

Performance in coursework shall be evaluated through:

- Quizzes
- Assignments
- Presentations
- Seminars
- Mid-Semester and End-Semester Examinations

3.2 Research Progress Evaluation

Research scholars shall undergo periodic evaluation of their research progress by the Doctoral Committee and other competent authorities as prescribed.

3.3 Thesis Submission

A Ph.D. thesis shall be submitted only after fulfilling all academic and research requirements prescribed by the Institute.

The thesis shall be evaluated by external experts and examined through a final viva-voce examination.

3.4 Publications Requirement

Research scholars shall comply with publication requirements, if any, prescribed by the Institute before submission of the thesis.

3.5 Award of Degree

The Ph.D. degree shall be awarded upon successful completion of coursework, research work, thesis evaluation, and viva-voce examination in accordance with Institute regulations.

---

4. Progression to Higher Semesters

Students shall progress to higher semesters only after satisfying the academic requirements prescribed by the Institute.

Registration in courses having prerequisite requirements shall not be permitted unless the prerequisite courses have been successfully completed.

Students with academic backlogs shall be governed by the progression rules notified by the Institute from time to time.

---

5. Make-Up Examinations

Students who fail in eligible theory courses may be permitted to appear in Make-Up Examinations subject to Institute regulations.

Eligibility criteria, examination fees, registration procedures, and examination schedules shall be notified by the Examination Section.

The grades awarded through Make-Up Examinations shall be governed by the applicable academic regulations.

---

6. Summer Semester Examinations

The Institute may offer Summer Semester courses for students requiring additional opportunities to complete academic requirements.

Registration, attendance requirements, evaluation procedures, and eligibility conditions shall be notified separately by the Institute.

---

7. Examination Conduct and Discipline

Students shall maintain discipline and integrity during all examinations.

The following acts shall constitute examination misconduct:

- Possession of unauthorized material
- Copying or attempting to copy
- Communication with other candidates
- Impersonation
- Tampering with answer scripts
- Use of electronic devices without permission
- Any other unfair means

Any student found guilty of examination malpractice may face:

- Cancellation of the examination
- Award of an F grade
- Suspension from examinations
- Semester back
- Disciplinary action under the Student Code of Conduct
- Expulsion in severe cases

The decision of the Institute in examination-related matters shall be final and binding.

---

8. Plagiarism and Academic Integrity

All dissertations, theses, project reports, internship reports, seminar reports, and research publications shall be subject to plagiarism screening using approved plagiarism detection software.

Students shall maintain the highest standards of academic honesty and integrity.

Submission of plagiarized work, fabrication of data, falsification of records, unauthorized collaboration, or any other academic misconduct shall invite disciplinary action as per the Institute's Academic Integrity Policy.

Penalties may include:

- Rejection of the submitted work
- Award of zero marks
- Re-submission requirements
- Suspension of registration
- Cancellation of degree requirements
- Any other disciplinary action deemed appropriate by the Institute.
