BIT Jaipur Campus Life

Building & Campus

The institute is built up in about 10 Acre land (40000 Sq. M). The built-up area is 6564 Sq. M consisting of 14 classrooms, 15 lab halls, Mechanical workshop, Seminar Hall (150 Capacity), Common Computer/Internet Access Centre (30 Computers), library hall, canteen hall, Sports & Gymnasium Hall, Student Common Hall, and administrative block. The institute has high speed Wi-Fi facility in whole campus for internet connectivity.

Lab & Equipment

The institute has quality lab and software infrastructure. All required advanced lab equipment and software are available in the institute to conduct offered courses along with equipment required for Mechanical Workshop. The Institute has three Dell Power Edge servers and 430 computers for lab, internet, and administrative requirement. Details are given in separate information write-up of each department.

Library

The institute library has good collection of text and reference books required for various courses. The reading room facility has been provided separately in air-conditioned hall for journals, magazines, newspaper, etc. The digital library is also provided in the same hall with high end computers.

Online e-Journals & e-books

- Engineering: IEEE, Science Direct & ASTM digital Library
- Management: PROQUEST
- Other Training Tools: Digital English Language lab

Sports & Other Extra Curricular Activities

The institute has good facilities for sports, technical and cultural events. Three major events are organised every year for development of these aspects:

- Vibrations (Cultural Event)
- TechVibes (Technical Events)
- Cavorts (Sports Event)

In addition to this the campus has a well-equipped Gymnasium for keeping fit our students.

Campus Placement Cell

The campus has a placement cell to guide students about their career plan, to train them and to facilitate their placement in reputed organizations. The expert placement members having experience in high learning and industry; the excellent relationship with prospective employers and an intelligent mechanism of analysis of student's interest, strength, weakness, training needs, etc. are the highlighting features of the placement cell. The focus of the placement cell is to train and equip students in such a way that they are gladly accepted by the best organizations, corporate & industry.

For considering a placement offer for our students, job profile is the main aspect. Keeping in view the long-term career prospects with scope of learning opportunities, we give high importance to the standing of the employer and offered job profile. Undoubtedly, a good financial remuneration naturally follows these two basic aspects. Based on high reputation of BIT in academic standards and shaping student character in decent environment, our students are categorized in a special bracket and an excellent job profile with attractive financial package is offered.

The cell operates in close guidance of the centralized placement division of our main campus at Mesra, Ranchi. Through the coordinated efforts, BIT students are placed in leading corporates and PSUs.

Canteen

BIT Jaipur campus Canteen operated on outsourced contract basis and offers hygienic food services meeting the student satisfaction at very competent price. The committee of BIT students and staff members Supervises it.
